SPECIAL FEATURES

Corium 95 Universal Germicidal Cleaner Concentrate is the super effective and efficient multi-purpose, fully biodegradable germicidal cleaning concentrate with outstanding four-way action.

- **Corium 95** features a superior formulation – cleans, disinfects, deodorizes and softens water to ensure the best results.
- **Corium 95** effectively kills germs on contact – suppresses future breeding of microbes for long-lasting cleaning action.
- **Corium 95** is absolutely non-toxic – it's safe to use on hands, metal, plastic and painted surfaces.

OUTSTANDING PROPERTIES

Corium 95 is the universal germicidal cleaner concentrate that :

- Employs high-energy emulsion efficiency to clean virtually all surfaces including metal, rubber, tile and paint.
- Disinfects with efficiency characterized by Rideal Walker coefficient of 3 – its three times stronger than ordinary disinfectants.
- Deodorizes by attacking unpleasant smells at their source to leave a pleasant scent where applied.
- Softens water with special softening agents that sequester hard water and enable detergents and cleaning agents to work more efficiently.
- Approved by USDA for use as sanitizer in food plants.

USE FOR

Corium 95 is a remarkably effective cleaning agent that is super safe and easy to use. Use **Corium 95** confidently in kitchens, restaurants, food plants, hospitals, clinics, laundries and any place that requires a superior germicidal cleaning agent.
